Re: Appeal Briefs for Trademarks  
Serial # 76293326 + # 76293327

Attention: Ms. Angela Campbell  
Paralegal

Dear Persons:

I am writing to submit an explanation for the late filing for the above two Appeal Briefs for the above two Trademarks, and to ask that they still be accepted for consideration on their merits.

Please forgive this handwritten letter, but my computer crashed !!!

In addition to computer problems, I have been experiencing medical difficulties due to an injured foot. Before, I was not able to complete my Briefs as promptly as

in them.

My lateness is due both to medical difficulties, and the belief that if I got the Appeal Briefs in by May 30<sup>th</sup>, they would be timely.

I apologize for any lateness, and request that the Briefs be accepted anyway, for consideration on their merits.

I have gone through hoops to try to do these Appeals, and would feel very badly if they were dismissed! I would very much like for these cases to be able to be reviewed on their merits!

Please kindly accept them! And thank you for kindly reviewing this letter! Please contact me with any questions you may have. I am not able to receive any email till I get my computer fixed.

Most sincerely,  
Prema Jyothi Light

I wished. (I am without a lawyer.)

When I realized that I might be late, I called in to the Trademark Assistance Center, and asked if I could go by the actual mailing date of the enclosed notices. I was told, to my relief, that that would be okay.

The enclosed notices are dated (Friday) March 24, 2006, but the envelopes were postmarked on March 27, the following Monday.

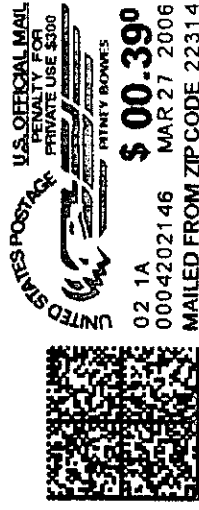

So, I thought I had until two months from that date, or until May 27<sup>th</sup>. But, May 27<sup>th</sup> is a Saturday.

So I called back in to the Trademark Assistance Center to see what happens if a due date falls on a weekend. I was told that since Monday, May 29<sup>th</sup>, was Memorial Day, my Briefs would still be timely if I got them in on the Tuesday after the holiday, or May 30<sup>th</sup>. So I thought my briefs were timely, if I got them
